MINISTER OF STATE FOR FINANCE

GOVERNMENT OF INDIA

## **MESSAGE**

I am pleased to extend my warmest greetings to the organizers, participants, and awardees of the BFSI Bharat + Fintech World Expo Summit & Awards 2026, scheduled on 7 - 9 May 2026 at the Bombay Exhibition Center, Mumbai.

India's financial landscape is currently undergoing a historic transformation, driven by a world-class Digital Public Infrastructure that has turned the vision of a "Digital Bharat" into a reality. As we march toward a \$7 Trillion economy, the synergy between traditional banking and the agile Fintech ecosystem remains the cornerstone of our national growth. This summit serves as a vital platform to discuss how we can further empower our MSMEs, secure our digital frontiers against emerging cyber threats, and ensure that the fruits of financial innovation reach the last mile of our society.

I congratulate the winners of the BFSI Bharat Awards 2026 for their commitment to excellence and for setting new benchmarks in financial service delivery. May the deliberations over these two days lead to actionable strategies that reinforce India's position as a global leader in financial technology.

I extend my best wishes for the successful completion of the event.

**MESSAGE**

It gives me great pleasure to extend my greetings to all stakeholders and organizers – Trinity Group & The Chamber for Import, Export & Health-of the BFSI Bharat World Expo, Summit & Awards 2026. This mega event is being held from 7 – 9 MAY 2026 at Nesco, Mumbai.

India's financial services sector has emerged as one of the strongest pillars of our economy - driving growth, promoting inclusion, and accelerating our digital transformation journey. **The Government remains deeply committed to creating a robust and inclusive financial ecosystem that empowers every citizen, supports entrepreneurship, and fosters trust through transparency and innovation.**

Our world-class Digital Public Infrastructure (DPI) like Aadhar, UPI, Digi Locker, Account Aggregator, GSTN, etc. have systematically reduced barriers to financial inclusion. Through schemes like Pradhan Mantri Jan Dhan Yojana (PMJDY), Pradhan Mantri Mudra Yojana (PMMY), Pradhan Mantri Suraksha Bima Yojana (PMSBY), Pradhan Mantri Jeevan Jyoti Bima Yojana (PMJJBY), Atal Pension Yojana (APY), etc. we have successfully brought over half a billion previously un-banked citizens into the formal economy.

The Unified Payments Interface (UPI) continues to set global benchmarks in transaction volume and is expanding its footprint across international borders helping India's strategic autonomy in cross-border payments. **Together, these initiatives have transformed India's financial landscape that embodies the spirit of "Viksit Bharat" - inclusive, technology-driven, and globally competitive.**

However, empowerment through digital finance is not automatic. Access has expanded dramatically, but meaningful and equitable usage is still a work in progress. This is being addressed through digital literacy drives, closing gender gaps in device ownership, and awareness campaigns regarding the risk of over-indebtedness through instant credit are reminders that infrastructure is a necessary but not sufficient condition for inclusion. **The next phase of our journey must therefore move from access for all to agency for all - where every citizen can not only enter the digital financial system, but also navigate it safely and beneficially.**

As services increasingly move online, institutions in the BFSI sector thus have the added responsibility to act as custodians of public trust, ensuring strong cyber-security, effective grievance redress, transparent pricing, and responsible conduct so that confidence among first-time users of formal finance is sustained.

**Against this backdrop of rapid digital transformation and expanding innovation, this event brings together regulators, industrial leaders, innovators, and policymakers to deliberate on emerging trends, opportunities, and challenges shaping the future of India's financial landscape.**

I congratulate the organizers for their vision in creating this global forum and extend my best wishes for the success of the BFSI Bharat + FINTECH World Expo, Summit & Awards 2026.

Prime Minister

**MESSAGE**

It is a pleasure to learn about the 18<sup>th</sup> edition of Organic + Biotech India World Expo, co-located with Agro + F&B Pro Expo being organised by the Trinity group from December 3-5, 2020.

A key to rural development, agriculture sector has been given utmost importance in the last few years. Comprehensive and integrated measures have been boosting productivity and self-reliance in the sector. Our constant emphasis has been on strengthening a robust infrastructure in agriculture sector and allied industries such as horticulture, food processing, animal husbandry and dairying, aimed at bringing a qualitative change in the lives of our hardworking farmers.

Addition of new dimensions to agriculture and its related activities has opened new vistas of opportunities for our farmers. Latest reforms have given farmers access to more options for big market and higher prices, ensured their easy access to futuristic technology and provided them new legal protection, while existing systems have also been strengthened.

With huge demand for India's agricultural products all over the world and major reforms underway in the country, our agro experts, agro economists and other valued stakeholders have a significant role to play to design the new contours of sectoral transformation for a self-reliant India.

The 18th edition of Organic + Biotech India World Expo and Agro + F&B Pro Expo will provide a platform to the experts from the sector to deliberate upon the latest advancements in the field of agriculture. The participation of policy makers, professionals and various key partners will help chart out a roadmap for future needs of the sector for larger benefit.

I am sure that the focus of the Expo on organic, agriculture and horticulture, food processing industries, fisheries, food and beverages and other allied industries will further strengthen and revitalise various agro-based industries and businesses. May the shared experiences at the Expo inspire various stakeholders to help the sector achieve higher levels of excellence.

Best wishes for all success of the Expo.

(Narendra Modi)

**MESSAGE**

I am delighted to learn that The Chamber for Import, Export & Health, in collaboration with Trinity Group and leading industry bodies, is organizing the **INDUSTRY & INVESTMENT INDIA 2026 - BFSI Bharat + FINTECH Expo | Summit | Awards**, from 7th to 9th May 2026 at Mumbai.

This platform comes at a pivotal moment when India, under the visionary leadership of Hon'ble Prime Minister Shri Narendra Modi ji, is emerging as a global economic powerhouse driven by digital transformation, financial innovation, and technology-led growth. **The convergence of Banking, Financial Services, FinTech, AI, cybersecurity, & emerging technologies represents not just the future of finance - but the foundation of a resilient, inclusive, & globally competitive economy.**

From the perspective of Andhra Pradesh, we see this transformation as a massive opportunity. **Our state is actively positioning itself as a hub for next-generation industries, fintech ecosystems, digital infrastructure, and innovation-driven investments**, aligned with our larger vision of building a future-ready economy under Hon'ble Chief Minister Shri N. Chandrababu Naidu garu.

**We are strongly committed to:**

- Creating a robust investment ecosystem supported by progressive policies
- Promoting financial inclusion through technology
- Encouraging innovation, startups, and global partnerships
- Building digital and industrial infrastructure that supports

**INDUSTRY 4.0 AND BEYOND - Platforms like this expo play a critical role in bringing together policymakers, industry leaders, innovators, and global investors, thereby accelerating collaboration & unlocking new opportunities for growth.**

I am confident that this event will not only strengthen India's BFSI and FinTech ecosystem but also serve as a catalyst for investment flows, technological advancement, and cross-sector partnerships across states.

I extend my best wishes to the organizers, participants, and all stakeholders for the grand success of INDUSTRY & INVESTMENT INDIA 2026. I also invite industry leaders and global investors to explore the immense opportunities that Andhra Pradesh offers as a preferred investment destination.

Together, let us build a stronger, digitally empowered, and globally competitive India.

**CHIEF MINISTER, HARYANA,  
CHANDIGARH**

I am pleased to learn that The Chamber for Import, Export & Health, in collaboration with Trinity Group and leading apex trade bodies, is organizing the **INDUSTRY & INVESTMENT INDIA with – BFSI Bharat + FINTECH Expo | Summit | Awards**, scheduled from **7th to 9th May 2026** at the Bombay Exhibition Centre, NESCO Complex, Goregaon East, Mumbai.

This initiative is well aligned with the Hon'ble Prime Minister Narendra Modi ji's vision of Aatmanirbhar Bharat (Self-Reliant India). As one of the fastest-growing economies in the world, India continues to make remarkable strides across sectors such as **Banking, Financial Services, Technology, Electronics, and Telecom, gaining increasing global recognition and trust.**

The Expo will serve as a premier platform to foster innovation, collaboration, and investment opportunities, while showcasing cutting-edge advancements across Banking, Finance, Services, Technology, Electronics, Telecom, MSMEs, Tourism, and Industry. It will also **provide an enabling ecosystem for MSMEs and start-ups to integrate into broader value chains**, thereby contributing to inclusive growth and state development.

I am confident that this event will open **new avenues for investment, strengthen industry linkages**, and highlight India's vast potential **across emerging and technology-driven sectors.**

I extend my best wishes to the organizers, participants, and all stakeholders for the grand success of **INDUSTRY & INVESTMENT INDIA with BFSI Bharat + FINTECH Expo | Summit | Awards 2026.**
